| MONDAY                                                                                                                                                                                                                                             | TUESDAY                                                                                                                                                                                                                                                   | WEDNESDAY                                                                                                                                                                                                                                                                          | THURSDAY                                                                                                                                                                                                                                | FRIDAY                                                                                                                                                                                                                                 |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Campers will dig into south Florida history through a mock archeology simulation, finding fossils and artifacts from Tequesta History. They will also learn to observe and record local fauna during a hike utilizing binoculars and iNatutralist! | Campers will hike to learn about and collect samples of the diversity of native plants found at the Deering Estate. They will then use those collected natural materials to create a work of art inspired by one of South Florida's local flora or fauna. | Campers will get a taste of adventure on a Tram ride through the protected natural areas, stopping to learn about each of the unique ecosystems along the way. They will then learn about some of the animals in our classroom collection, and learn about basic animal husbandry! | Campers will hike to through the Hardwood Hammock where they will visit a geological formation known as the Deering Cliffs! They will also put their engineering skills to the test as they compete in a model Catapult design contest! | Campers will round off the first week of the new year by creating and competing in an obstacle course designed to challenge their inner Indiana Jones! They will also celebrate by learning about campfire safety and roasting Smores. |
