MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Join us for an exciting adventure where we'll journey through one of South Florida's rarest environments using our tram. Afterwards, Campers will dissect an owl pellet to explore the bones within, learning about the owl and its ecosystem.</p>	<p><i>happy new year</i></p> <p>NO CAMP</p> <p>New Year's Eve Holiday</p>	<p><i>happy new year</i></p> <p>NO CAMP</p> <p>New Year's Day Holiday</p> 	<p>Campers will experiment with water filtration, learning how to use natural materials to remove dirt from water just as its filtered through the water cycle. We will then head into our natural areas and see how fresh water moves through the estate, eventually making its way into Biscayne Bay.</p>	<p>Get ready for an unforgettable outdoor experience with shelter building and campfire making on the last day of camp! Learn the essentials of survival as you work in teams to create temporary shelters using natural materials like branches, leaves, and palm fronds. After a day of adventure, gather around the campfire for s'mores!</p>
